

Mrs Adriana Tutcher – Carvajal
Global Account Manager Marine, Offshore and Cruise segment
Air France KLM

Mrs. Adriana Tutcher - Carvajal is a dedicated and experienced Global Account Manager in the Marine, Offshore and Cruise segment at Air France KLM, with over 20 years of airline experience.

She has built and maintained strong working relationships with top senior management and key decision makers in local and global markets including Europe, Asia and the United States. She is experienced in devising initiatives and strategies in collaboration with key multinational trade partners and all aspects of their business to maximize revenues and share evolution. She has learnt that life is never dull when you do what you love.

Her motto: “Where intention goes energy flows “.

Her current challenge: to create travel solutions within a very complex environment.

Her passion: building global relationships, connecting the dots, making things happen, green living and of course, sustainable aviation is possible
