

Mr Christos C. Hadjigeorgiou (M.Sc.)  
Managing Director  
Almi Marine Management S.A.

Mr. Christos Hadjigeorgiou holds an M.Sc. in Naval Architecture and Ocean Engineering from Glasgow University. His vast and diverse working background and experience includes large scale Cruise ship conversions leading to his becoming Head of Design and Project Manager in multimillion projects of Avlis Shipyards and Re-gency Cruises.

He moved on to merchant Shipping and joined Almi Marine in 1998 as the Technical Manager until 2004. He then became the Technical Manager of A.M Nomikos TWMA for about 3 years, and re-joined Almi Marine in 2007 in order to start an expansion phase of the company with Korean newbuildings. He became the MD in 2014 and steered the company through the 2016 crisis and grasped the opportunity as it arose to renew the fleet through targeted sales and acquisitions.

His “We go the Extra Mile” vision has transformed many of the company’s operations, related to organization, HR and customer service.
