

Captain (Dr) Shashank Jahagirdar
Managing Director | Country Head
MTM Ship Management (I) Pvt Ltd

Captain (Dr) Shashank Jahagirdar is a seasoned maritime executive serving presently as the Managing Director and Country Head of MTM Ship Management (I) Pvt Ltd.

He possesses extensive experience in vessel operations, Technical & crew management, and fleet maintenance, consistently ensuring regulatory compliance. Capt. Shashank is recognized for his commitment to maritime safety and operational efficiency, successfully managing diverse teams and overseeing multimillion-dollar projects.

Captain (Dr) Shashank Jahagirdar has sailed for 21 years at sea including 11 years as Captain before shifting ashore in 2012. His career includes executing growth strategies that enhance profitability and client retention, along with strong regulatory expertise and relationships with key agencies. He emphasizes financial prudence and cost efficiency across various maritime functions, including crewing and HSEQ.

A contributor to academia, he has published five research papers and serves on the Board of Directors at MASSA, while also participating in the 'Maritime India - Vision 2030' committee. In 2022, he earned a Doctorate degree from MIT University for his research on Fuel Optimization and Vessel Efficiency.

Actively involved in organizations such as the IMEC R&T Committee, Capt. Shashank is dedicated to advancing the maritime sector and welcomes collaboration to drive excellence in the industry.
